

AFairWorld Jan1.2011 News Note

We really appreciate the chance to tell you about our new products.

AFairWorld is a total direct Fair Trader. We know each artisan that makes our products. ♥

Style: "Amu" Strap Shoulder Bag

Let us share a Thai Silk & Cotton Handwoven Shoulder Pouch. We received only six, for they are made very individually. We have tried to capture their uniqueness in a photo and can send even more magnified pictures.

Description of the bag:

Size: 9"h x 9"w with a 50" one inch wide shoulder strap.

The strap length chosen, for the strap is tied through a perfect fabric loop.

You can double the strap to let the bag rest under your arm or on your hip, depending upon your need.

The lining is hand-woven cotton and there is an inside zippered pocket. ♥
